Mission Brief: **Gaza Child Protection & Aid Initiative**

Program Title: **"Biometric Safe Spots for Displaced Children"**

Objective:

To deploy emergency safe spots with mobile biometric ID systems in Gaza, ensuring conflict-compliant delivery of nutrition, health services, and shelter to internally displaced children under UNCRC Article 22 (refugee children) and Article 24 (health rights).

Core Components

1. Mobile Safe Spots Network

- **Location:** 5-10 UN/WB-approved sites (schools, clinics)
- **Features:**
 - Biometric check-ins via **offline-capable tablets** (UNHCR-proven tech)
 - **QR-coded wristbands** linking to:
 - Medical records (WHO-standard)
 - Family tracing (ICRC-backed)

2. Pilot Program Innovation

- **Direct-Impact HUB Tasks:**
 - Develop **lightweight biometric kits** (solar powered, <1kg)
 - Train **local women-led teams** in data collection (empowering 50+ Gaza women)
 - Implement **blockchain aid logs** (donor-visible delivery tracking)

3. UNCRRC-Aligned Services

Service	Tech Integration	Legal Basis
Emergency nutrition	Biometric deduplication	CRC Articles 24+27
Vaccination tracking	HIPAA-compliant health IDs	CRC Article 24
Shelter allocation	GIS mapping of IDP clusters	CRC Article 22

Why Partner with Us?

- ✓ **Proven in Ukraine:** Successfully implemented 3 Safepoints (2024)
- ✓ **Neutrality Assured:** ICRC-guided data protocols (zero sharing with conflict actors)
- ✓ **Rapid Deployment:** 72-hour setup timeline

Call to Action

"Join our HUB to co-develop Gaza's first biometric child protection network. We provide:

- *Pre-approved tech licenses*
- *UN agency introduction pipeline*
- *Impact investor matchmaking*"

Key Asks:

- **NGOs:** Field staff for training (2 weeks)
- **Donors:** \$250k pilot funding (covers 3 spots, 5k children)
- **Tech Partners:** Rugged device donations

Strategic Advantages

- Legal Shield:**
 - Operates under **UNSCR 2573** (civilian infrastructure protection)
 - Data processed per **ICRC's Data Protection Guidelines**
- Localized Impact:**
 - Prioritizes **female-headed households** (85% of Gaza IDPs)
 - Partners with **Gaza Community Mental Health Programme** for trauma support
- Media-Ready:**
 - **Visual hook:** "A child's thumbprint unlocks food + medicine"
 - **Metric:** "1 check-in = 1 verified life saved"
